

RÉSIDENCE PRIVÉE POUR AÎNÉS

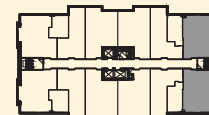

12

The diagram shows a symmetrical two-story building layout. The central entrance is marked with a fire truck icon. The first floor is divided into two main sections, each containing a 'Kitchen' and a 'Living Room'. The second floor is divided into two main sections, each containing a 'Bedroom' and a 'Bathroom'. The fire incident is indicated by a red 'X' in the living room of the left wing.

Phase 1

A detailed floor plan of the first floor of the building. The plan shows a central corridor running horizontally, with several rooms branching off. At the far left end of the corridor is a room labeled 'RECEPTION'. At the far right end is a room labeled 'OFFICE'. Along the corridor, there are several smaller rooms, some of which are labeled 'OFFICE' and others 'STORAGE'. The plan also shows a large open area at the bottom, which appears to be a common area or a large office space. The overall layout is symmetrical around the central corridor.
